Fortal

Fortal Zone on your phone

You don't use your talents once a year. You use them every day. That's why they're on your phone as an app.

1 **Scan the QR code and sign in**

You get a six-digit code by email.

2 **Add the zone to your home screen**

iPhone: Safari, Share, Add to Home Screen.
Android: Chrome, menu ▮, Add to Home screen.

3 **Turn on notifications**

Open the zone from the icon. We let you know when your coach sends you something.

zona.fortal.cz

Your data lives in a secure cloud. Your phone keeps only your own pages for reading without signal and deletes them when you sign out.
