

Fortal

Fortal Zone on your phone

Your team's talents on your phone as an app. One tap on the icon is all it takes.

1

Scan the QR code and sign in

You get a six-digit code by email.

2

Add the zone to your home screen

iPhone: Safari, Share, Add to Home Screen.

Android: Chrome, menu , Add to Home screen.

3

Turn on notifications

Open the zone from the icon. We let you know when your coach sends you something.

zona.fortal.cz

Your data lives in a secure cloud. Your phone keeps only your own pages for reading without signal and deletes them when you sign out.
